⊙ **Stocks (100% double)**

There will be about 55% lightleaved and 45% dark-leaved plants. The lightleaved plants practically give double flowers only.

This will save the market-grower a lot of work as he will only use the seedlings with the light leaves. For the amateur-gardener it means more satisfaction, for now he can get almost 100% double flowers in his garden.

TERMS AND CONDITIONS.

All orders on growing crops are accepted subject to crop-success. Crop-failure releases us entirely from delivery. - Should the outcome of the crop be lower than our estimation, orders will be filled pro rata only.

Delivery f.o.b. Enkhuizen/Amsterdam/Rotterdam.

Prices are quoted in U.S.A. currency (Dollars and Cents) and they are subject to alteration without notice.

Any important fluctuation of the rate of exchange between U.S.A. \$ and dutch Guilder will carry a revision of the prices.

Bags and packing will be charged for at current cost and are not returnable.

Freight or, if shipped by mail, postage charges will be debited at cost.

Marine insurance will be effected by us and premium debited at current rates, unless instructions to the contrary are received.

Forwarding instructions should be sent with orders. - In the absence of instructions we shall select the best way we know, but entirely at the risk of the buyer. - Should the fulfilment of any order be prevented or delayed on account of war, blockade, revolution, prohibition of exports, strike, fire or any other contingency beyond our control, we shall not be responsible for any loss and/or damage thereby. Any questions which may arise are to be governed by the Laws of Holland.

The amounts of our invoices are payable at Enkhuizen in U.S. Dollars. On overdue account an interest of 6% per annum will be charged.

Notwithstanding any specified stipulation in the contract, seller has the right, which he can exercise at all events and at any time, of demanding cash payment before delivery.

Purchasers' **claims** for shortage of deliveries must be made to seller immediately on receipt of shipment (within 6 days after arrival).

Complaints about germination must be reported within 45 days after arrival of the seeds at destination.

Although we always do everything in our power to supply seeds of best quality in every respect, we can give no warranty, expressed or implied, as to the description, productiveness or any other matter of any seeds we send out and we shall in no way be responsible for the crop. We shall give full consideration to well-founded complaints but restitution, if any, is limited to our invoiced value.

By placing an order our customers agree to the terms and conditions stipulated above.

Quantity Price Scales:

The lb rate, where quoted, will apply to quantities of $\frac{1}{4}$ lb and more. The oz. rate will not apply to quantities of less than $\frac{1}{4}$ oz. A pro rata increase will be made for smaller quantities than $\frac{1}{4}$ oz.
